
A BILL FOR AN ACT

RELATING TO LICENSING OF PRIVATE TRADE, VOCATIONAL, AND
TECHNICAL SCHOOL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that private trade,
2 vocational, and technical schools provide specialized training
3 for a number of professions in the State, including those in
4 massage therapy, healthcare, tax preparation, and maritime
5 activities. Section 302A-425, Hawaii Revised Statutes,
6 prohibits such schools and other private organizations or
7 corporations from operating prior to being licensed by the
8 department of education. The department of education has had
9 this responsibility since 1939, when the focus of such
10 regulation was to ensure the quality of education and
11 instruction at those schools providing post-secondary training
12 below the college level.

13 The legislature further finds that Act 57, Session Laws of
14 Hawaii 1998, amended section 302A-425, Hawaii Revised Statutes,
15 to declare that the purpose of such regulation is to protect
16 consumers from false, deceptive, misleading, and unfair

1 practices and to ensure adequate educational quality. Auditor's
2 Report No. 02-08, *A Study on the Licensing of Private Trade,*
3 *Vocational, and Technical Schools,* acknowledged that the
4 declaration of purpose added to section 302A-425, Hawaii Revised
5 Statutes, by Act 57, Session Laws of Hawaii 1998, brought into
6 question the appropriateness of the program's administrative
7 placement within the department of education.

8 The legislature additionally finds that, during the regular
9 session of 2015, the legislature passed S.C.R. No. 46, S.D. 2,
10 requesting the department of commerce and consumer affairs and
11 department of education to convene a working group to evaluate
12 and review the current licensing program for private trade,
13 vocational, and technical schools. The working group
14 collaborated to gather information and develop findings and
15 recommendations. The working group jointly recommended that the
16 licensure program be narrowed in scope, but were unable to come
17 to any other joint recommendations.

18 The legislature finds, however, that the department of
19 education is no longer an appropriate location for such a
20 licensing program. The department of education's primary
21 mission is educating students in grades kindergarten through

1 twelve, and lacks experience providing post-secondary education
2 and regulating post-secondary institutions. The legislature
3 further finds that the department of education does not have the
4 capacity or expertise in the specialized curricula of the
5 various private trade, vocational, and technical schools
6 currently under its licensing jurisdiction to effectively
7 administer the requirements of section 302A-425, Hawaii Revised
8 Statutes.

9 The legislature additionally finds that the department of
10 commerce and consumer affairs has established licensing and
11 regulation processes, consistent with its mission of consumer
12 protection, and several trade and vocational schools now receive
13 state licensure for business operations through the department
14 of commerce and consumer affairs. Consequently, the legislature
15 also finds that the regulation and licensing of private trade,
16 vocational, and technical schools at the post-secondary level
17 belongs more appropriately within the department of commerce and
18 consumer affairs.

19 The purpose of this Act is to transfer the licensing and
20 regulation program for private trade, vocational, and technical

1 schools from the department of education to the department of
2 commerce and consumer affairs.

3 SECTION 2. The Hawaii Revised Statutes is amended by
4 adding a new chapter to be appropriately designated and to read
5 as follows:

6 "CHAPTER

18 subject to this chapter.

19 § -4 Suspension and revocation of license; procedure.

20 (a) The department of commerce and consumer affairs, after
21 notice and opportunity for a hearing, may suspend or revoke a

1 license at any time when, in the judgment of the department of
2 commerce and consumer affairs, the licensee is not complying
3 with this chapter or rules adopted by the department of commerce
4 and consumer affairs. The notice of hearing shall be served
5 personally or sent to the licensee by registered or certified
6 mail with return receipt at the licensee's last known address.

7 (b) Notice of suspension or revocation shall be served
8 personally upon the licensee or sent to the licensee by
9 registered or certified mail with return receipt, and the
10 licensee shall forward the licensee's license at once to the
11 department of commerce and consumer affairs and immediately
12 cease to operate the private trade, vocational, or technical
13 school.

14 (c) All proceedings shall be subject to chapter 91.

15 § -5 Penalty. Any person, firm, or corporation that
16 violates the requirements of this chapter shall be fined not
17 more than \$100, or imprisoned not more than ninety days, or
18 both, for each violation.

14 there is first secured from the department a license issued in
15 accordance with sections 302A-424 to 302A-428 and in such form
16 as the department may direct. The purpose of the licensing and
17 regulation is to protect consumers against practices by private
